

REMARKS

The present amendment is in response to the Advisory Action dated March 8, 2006. Claims 1-16 and 60-65 are now present in this case. Claims 1 and 65 are amended. Claim 58 is canceled.

The applicants wish to express their appreciation to the Examiner for telephone conference with the applicants' attorney on March 23, 2006. As noted in the telephone conference, the Advisory Action indicates that Chambers does not disclose any preferred coverage area. However, this is incorrect as Chambers, at column 3, lines 21-25, states that the system broadcasts a signal "to subscribers located within a defined coverage area of preferably 1000-2000 feet."

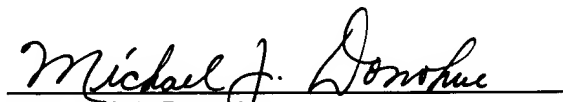

Based on this discussion, the applicants respectfully request reconsideration of the application and its allowance.

In view of the above amendments and remarks, reconsideration of the subject application and its allowance are kindly requested. The applicants have made a good faith effort to place all claims in condition for allowance. If questions remain regarding the present application, the Examiner is invited to contact the undersigned at (206) 628-7640.

Respectfully submitted,

Mervin L. Grindahl et al.
